Dear Hirring Manager,

I am writing this to express my interest for the vacant position at your company you recently posted. I have BSc Degree in Computer Science from Werabe University with CGPA 3.81,and 67% from the National Exit Exam result. I graduated on July 18, 2023 . I possess a basic knowledge of Computer Science course and practical skills performing different workshops and projects.

I also have basic skill in MS-applications and I am highly motivated, adaptable, and stay updated. .

I have good communication skills and actively participate in both individual and team work. So, if I get the opportunity, I will work towards the success of your company fulfilling's the duties of my profession.

Thank you for considering my application. I look forward to discussing how I can contribute to the success of your company in more detail. Please find my resume attached for your review.

Sincerely,

Shumet Weldie
